GrabCAD

Free to join, free marketplace.

Thangs

Free to join, big selection, free entry contests, useful features, free marketplace, beginner friendly.

Thingiverse

Free to join, big selection, remixes, free marketplace, beginner friendly.

Notes

I didn't choose to favor Cults3D. I try to sell on every 3D model marketplace but I sell more on Cults3D than anywhere else. Cults3D should allow remixing like Thangs and Thingiverse.
